The sale will be conducted in English. Bidding is carried out in Indonesian Rupiah. All sales are subject to the conditions printed in this catalog and the attention of all interested parties is drawn to this information.

All bidders are considered to have reviewed and acknowledged the condition of the lots therefore winning bidders are liable to settle the payment on hammer price including premium in full. Cancellation of bids are not permitted and failure to settle will result in legal action and penalties.

Sidharta Auctioneer only acknowledges bidders as registered in the registration form. Invoices will be issued under the bidder's name as stated therein. Sidharta Auctioneer does not acknowledge any form of agreements between registered bidders and other parties. Payment of successful bids must be settled by the registered bidders, as the party responsible in bidding in the auction.

Dear Art Lovers & Enthusiasts,

Sidharta Auctioneer ArtFordable Auction is honored to be able to collaborate with AQUA Danone to celebrate its 40th anniversary in Indonesia by promoting Temukan Indonesiamu (discover your Indonesia); a theme that AQUA Danone has carefully selected to allow Indonesian artists to highlight important events in Indonesia for the past 40 years.

It is brilliant for AQUA Danone, being the pioneer of bottled water in Indonesia, to initiate and promote Temukan Indonesiamu by visualizing milestones of events. AQUA Danone has invited and commissioned as many as 40 talented artists to choose an event of their interest then present it. Most of them are in their 20's, and this project gave them the opportunity to look back and reflect what has happened in our country.

Through Sidharta Auctioneer Artfordable Auction, AQUA Danone intends to do a charity auction with its 40 collections. We embraced this idea as we want to support the creations of young artists and AQUA Danone social responsibility campaign.

I discovered that each artwork is unique and a result of thorough observation on a specific year by the artist. If you notice on the title of the piece, there a year stated to indicate when the event took place. Description of the work is available separately if you wish to learn about it. It's like getting absorbed in the history of Indonesia of the past 40 years through art in a fun way. Try to bid one these. All proceed will be donated Yayasan Kanker Anak Kasih Indonesia (YKAKI). To support this, Sidharta Auctioneer doesn't apply a premium fee and commission. It is all for YKAKI.

In 1998, Indonesian government reformation took place. The streets were chaotic while people stayed home to remain safe. People and press aspirations to reform became people power. This represents in 1998. Bersuara by Rebellionik. On the cover, we feature 2000. Terang Yang Dinanti; a story about Indonesia fashion clutch, Bagteria by Nancy Go. This line of bag has been able to go international. The artist, Dimaz Brodjonegoro picks Raden Ajeng Kartini as the persona of Indonesian women who encourages women to chase and realize their dreams. She holds a Bagteria clutch, a creation made by Indonesian woman. If we look back to year 1986, there was a great movie, Tjoet Nyak Dhien. One Zhan features this moment since the movie grabbed 8 Citra Awards, the most respectful movie award in Indonesia. There are more to discover out of these 40 lots.

To discover your Indonesia, ArtFordable Auction offers selections that revolve around it. Darmana Hidayat brings Indonesian indigenous flavor; mix media of Batik and acrylic. Well study of patterns and color pigments. It celebrates Batik making complexity displayed on canvas. Wakidjan is another artist that we want to celebrate. The late Wakidjan poured out his heart and skills to tell a slice of Indonesian traditional life through pure brush strokes without pretention.

In this auction, we don't cluster the artworks into different regions of origins as we want to show that all this diversity really makes sense to unite us, enrich us and progress us forward. Discover more of Indonesia in 180 lots to be auctioned.

Enjoy the collections and happy bidding!

Bidding at the Auction

The following pages are designed to give any prospective bidders useful information on how to bid and buy at Sidharta Auctioneer's Artfordable Art auction (the "Auction" or the "Sale").

1. BEFORE THE AUCTION

Estimates

The estimated price range of each lot, printed below the description of each lot, is intended solely to be a guide for prospective buyers. Any bid between the high and the low estimated price range would, in our opinion, offer a fair chance of success in the purchase of the lot. However, all lots, depending on the degree of competition, can realise prices either above or below the estimates. Estimates do not include the Buyer's Premium.

Reserves

The reserve is a confidential minimum price the seller is willing to accept in the sale of the lot. If the highest bid of the lot fails to reach the reserve, the lot will not be sold.

Pre-Auction Viewing/Condition of Lots

Prior to the Auction, viewings will be open to public and free of charge. The condition of each lot is described in the condition report which Sidharta Auctioneer prepared with reasonable effort and good professional manner. We strongly encourage interested buyers to request these condition reports and to examine the lots properly. The absence of reference to the condition of a lot in the catalog description does not imply that the lot is free from faults or imperfections.

2. THE AUCTION

Buyer's Terms

The Auction is governed by the Terms for Buyers and Sales Terms printed in this catalog. These Terms apply to all aspects of the relationship between Sidharta Auctioneer and actual and prospective bidders and buyers. Anyone considering bidding in the Auction should read and understand them carefully. They may be amended by way of notices posted in the saleroom or by way of announcement made by the auctioneer.

Bidding at the Auction

Registration is required for all bidders 30 minutes prior to the start of the Auction. The identity of bidders will be verified. Bids may be executed in person by the use of paddle or by telephone through Sidharta Auctioneer's staff during the Auction, or in writing prior to the Sale. The Auction speeds vary, but usually average between 50-60 lots per hour.

We reserve the right to refuse admission to the premises or participation in any auction and to reject any bid.

Consecutive and Responsive Bidding

The auctioneer may open the bidding on any lot by placing a bid on behalf of the seller. The auctioneer may further bid on behalf of the seller, by placing consecutive or responsive bids for a lot, up to amount of the reserve. Save for lots with Early Bird Written Bids, the auctioneer will start the bidding at Top Limits (as defined below) submitted by Early Bird bidders (please see section "Early Bird Written Bids" below for more details).

The lots are auctioned in consecutive numerical order with video image or any manner of display we consider appropriate. Bidding is done in Indonesian Rupiah in incremental price increase. The auctioneer accepts bids from those present in the saleroom, from telephone bidders, or by absentee bids left with us in advance of the Auction.

Bidding Increments

Bidding generally opens below the low estimates and progresses in the following increments:

Rp 100.000,-	to	Rp 500.000,-	by	Rp 50.000,-
Rp 500.000,-	to	Rp 2.000.000,-	by	Rp 100.000,-
Rp 2.000.000,-	to	Rp 3.000.000,-	by	Rp 200.000,-
Rp 3.000.000,-	to	Rp 5.000.000,-	by	Rp 300.000,-
Rp 5.000.000,-	to	Rp 10.000.000,-	by	Rp 500.000,-
Rp 10.000.000,-	to	Rp 20.000.000,-	by	Rp 1.000.000,-
Rp 20.000.000,-	to	Rp 30.000.000,-	by	Rp 2.000.000,-
Rp 30.000.000,-	to	Rp 50.000.000,-	by	Rp 3.000.000,-
Rp 50.000.000,-	to	Rp 100.000.000,-	by	Rp 5.000.000,-

The auctioneer may change the increments during the course of the Auction at his or her discretion.

Bidding in person

To bid in person at the Auction, registered bidders should collect their numbered paddle before the Auction begins. Proof of identity and registration will be required to collect paddles.

The paddle is used to indicate your bids to the auctioneer during the Sale. Successful buyers of any lot should ensure that their paddle is visible to the auctioneer and that it is their number that is called out as the successful bidder. Should there be any doubts as to price or buyer, the bidder should draw the auctioneer's attention to it immediately. All lots sold will be invoiced to the name and address in which the paddle has been registered and cannot be transferred to other names and addresses.

Please do not mislay your paddle; in the event of loss please inform the sales clerk immediately. At the end of the Sale, please return your paddle to the registration desk.

Absentee Bids

Prospective buyers who are unable to attend the Auction can submit absentee bids using Written Bid form that can be found on page 100 of this catalog. This service is confidential and free of charge.

Absentee bids must be confirmed before the Sale by letter or fax. To ensure satisfactory service to bidders, please ensure that we receive your bids at least 24 hours before the Sale.

Fax number for bids is : +62 21 727 88 283

Written Bids

Prospective buyers who would like to entrust Sidharta Auctioneer to execute bids on their behalf can place a written bid ("Written Bid"). In the Written Bid form, the lot number and description of the item should be specified and the top limit —the highest price which you would bid if you were attending the Auction yourself ("Top Limit") — should be specified, although there is no minimum set as Top Limit of Bid (with the exception of Early Bird written bids in the Fine Art auction) it is recommended that the bids are at least equal to the low estimate. Unlimited or unspecified bids such as instructions to "buy" will not be accepted. Although the Top Limit is denoted, lots will always be bought as cheaply as is consistent with other bids and the reserves. In the case of identical bid limits, the earliest bid received will take precedence.

Phone Bids

We are able to accommodate a limited amount of phone bids for items with low estimates of over Rp. 5.000.000, depending on the number of operators available to handle the phone bids. Bidder who wish to bid via the telephone should fill out an absentee bid form, indicating that the absentee bids are requested as phone bids, and provide a telephone number to which the telephone bid should be made. Due to difficulties in connection, telephone bidding significantly causes bidding to be slower. For items with low estimates of less than Rp. 5.000.000, we kindly ask that absentee bids are placed as written bids.

Successful Bids

The fall of the auctioneer's hammer indicates the final bid (the "Hammer Price"). The auctioneer's will call out and record the paddle number of the buyer. If your written bid is successful, you will be notified immediately after the Sale by post. Bidding may be reopened at the auctioneer's discretion.

Currency Conversion

Since bidding is carried out in Indonesian Rupiah, a currency converter may be operated, based on the most recently available rates of exchange quoted to us by Bank Indonesia applicable on the date of the Auction. However, please note that figures shown in foreign currencies are only approximates and do not represent exact exchange rates.

terms for buyers

The following terms are applicable for all sales made at the Auction. They are subject to changes, which may be posted or announced during the Sale. Bidders must read and understand these terms as they set out the terms on which properties are sold at the Auction. The bidders and buyers are deemed to agree with and be bound by these terms when bidding at the Auction.

To the extent applicable, the sections under Guides for Bidders are deemed to be inserted into and be an inseparable part of these Terms for Buyers.

GENERAL

Seller's Agent

Unless otherwise stated, we will act as the seller's agent. The concluded sales contract is made between the seller and the buyer through Sidharta Auctioneer.

Buyer's Premium

A premium to the buyer on the final bid price of each lot will be charged at **22%** of the Hammer Price ("Buyer's Premium").

Pre-Auction Viewing

When bidding, we assume that interested buyers have already read the condition reports and/or examined the lots and are aware of the current condition of the lot.

Property Sold As Is

All property is sold without any warranty or representation. We are not liable for any errors or omissions in the catalog. The available condition reports are mere statements of opinion and should not be relied on as statements of definitive facts. Descriptions of property are not warranties. All property is sold with all faults and imperfections and errors of description.

ON BIDDING

Absentee Bids

Absentee bids are written instructions from prospective buyers directing us to bid on their behalf up to a maximum amount specified for each lot.

Successful Bids

The fall of the auctioneer's hammer indicates the final bid, upon which the sales contract between the seller and the buyer is deemed to be concluded.

Transfer of Risk and Title

Subject to the auctioneer's discretion, the highest bid accepted by the auctioneer will be the buyer and the striking of his hammer marks the acceptance of the highest bid and the conclusion of a contract for sale between the seller and the buyer. Risk and responsibility for the lot (but not its title) are transferred to the buyer at the expiration of seven calendar days from the date of the sale or on collection by the buyer if earlier. The buyer will acquire title to the lot when all amounts due to us are received in good cleared funds.

Bidding as Principal

A bidder accepts personal liability to pay the purchase price, including the buyer's premium and any taxes and/or all other charges/fees that may be applicable. In the event a bidder is acting on behalf of an identified third party principal, we will look to the principal for payment.

PAYMENT AND HANDLING

Payment

Full payment must be in good funds within 7 (seven) calendar days as of the Sale. Payment is preferably made by telegraphic transfer (against satisfactory written evidence) directly to:

PT Balai Lelang Horizon

CIMB Niaga, Kemang Branch, account # 253 - 010 - 016 - 8000

BCA, Panglima Polim Branch, account # 566.030.6864

Please include your name, purchased lot number, and invoice number in your bank instruction. Purchases will be released upon our confirmation that funds have been fully received in the account mentioned above. Payments with company cheques are accepted, although purchases will not be released until such cheques have been cleared. Payments with credit cards are not acceptable.

Deliveries and Export/Import Permits

Buyers will be responsible to pick up purchases and to arrange for deliveries with our appointed shipping agencies. Properties to be exported may be subject to any applicable export regulations and import restrictions applicable in the receiver's jurisdictions. Buyers are solely responsible to obtain any required export or import licenses. Failure to obtain these licenses does not cancel the sale or justify any delay in fulfilling the sales payment.

Storage and Insurance

All purchases will initially be held for collection at the Auction room at no charge and covered by insurance for a maximum of seven days as of the date of the Auction, after which the lot will be entirely at the buyer's risk. If purchases are not collected within seven days after the Sale, we shall arrange storage in our warehouse at the buyer's expense.

NON-LIABILITIES

Absentee, and Written Bids

We do not accept liabilities for failing to execute a written bid or for errors and omissions in connection with it.

Operation of Facilities

We do not accept liabilities for errors that may occur in the operation of the currency converter or the video or digital screen (or the quality of the image).

Description or Defects

We will provide, with reasonable effort and good professional manner, a description and condition report concerning each lot. However we do not accept liabilities for any mistaken statements of whatever kind concerning any lot, whether written or oral, nor for any other errors or omissions in description or for any faults or defects in any lot.

We reserve the right to seek for further expert opinion. There will be no refund if there is a conflict of opinion among the related experts. This guarantee applies only to the buyer of the lot and is not assignable to any third party.

DARMANA HS. (B. JAKARTA, 1970)

Mixed media is not easy to work with; either you make it or break it, especially when you combine it with patterned materials, such as hand printed Batik that has been done diligently with delicate details. However, Darmana has successfully done it with traditional Batik piece of cloth. Three of his collections are here: Batik Tiga Negeri, Batik Pesisir and Batik Lasem.

Darmana has been conscientiously embracing contradictions and translating them into compositions that unify two contradictory elements, old Indonesian textiles and acrylic paint, onto canvas in the past 5 years. He has thoughtfully mixed and matched the classic batik with other media on canvas.

Many of his artwork absorbs deep colors, such as deep red or maroon, to let the fabric and the details stand out. His work can represent Indonesian rich collection and diversity of batik. You will like Darmana's work if you seek a touch of tradition that's married to a bit of modern style.

BIODATA

Darmana HS who was born in Jakarta on 22 July 1970, began to show his interest in painting when he was only 10 years old. His early talent brought him to explore paintings in a realist style. Although he chose to pursue his higher education in Mechanical Engineering and graduated from Universitas Pancasila, he never stopped searching his quest to experiment in his paintings, until he eventually discovered "Contemporary Abstracts" as his true call. Rich combination between lines and colors of profound harmonious composition are his signatures that one can notice on his works. His love for graphic design and photography is also intensely embodied in the notable textures found in his works, an inspiration he took from fine-looking timbers, rusty metal and coarseness of the stones.

His further exploration also includes beautiful old Indonesian textiles where he turns them into one element that builds harmonious contradiction. It is indeed a Contradictory in Harmony. He has meticulously produced some fine examples of how a tradition can be offered in a contemporary form of art such as Batik.

BATIK TIGA NEGERI

The complexity of producing a delicately hand-printed Batik is magnified when it comes to the history behind the making of Batik Tiga Negeri, or Three Regions Batik. The pattern of Batik Tiga Negeri embodies three distinctive patterns that are unique to Lasem, Pekalongan and Solo, the regions in Central Java that once ran their own autonomy during Dutch colonialism.

However, the highly prized value of batik Tiga Negeri comes from its making process rather than from its patterns mix. Legend has it that waters in every region contain different quality. Naturally, it can be explained as the mineral contents in each region are different due to different geographic locations.

To this reason, the making of batik Tiga Negeri is processed in three different regions. The first process takes place in Lasem where first color (Blood Red) is applied. Later, in Pekalongan, the second color (Blue) is added, followed by adding the last color (Sogan Brown) in Solo.

The complexity of the process and the distance that this batik has to cover during the making are the reasons why this batik is deemed a Masterpiece.

BATIK LASEM

Lasem batik is characterized by a bright red color called abang getih pithik (chicken blood red). Batik Lasem is heavily influenced by Chinese culture.

BATIK PEKALONGAN

The most famous Pesisir Batik production area is the town of Pekalongan in Central Java province. Compared to other pesisir batik production centers, the batik production houses in this town is the most thriving. Batik Pekalongan was influenced by both Dutch-European and Chinese motifs, for example the buketan motifs was influenced by European flower bouquet.

WAKIDJAN (B. YOGYAKARTA, 1928 - 1994)

When you look at Wakidjan's creations, you will experience romanticism of Indonesian impressionism in traditional life setting.

His color combination nuances either to complement one another or to contrast the subject matter as shown in *A Man and A Cock*, *Perahu Nelayan* (fisherman boat) and *Perahu di Tepi Pantai* (boat on the beach).

At glance, the paintings looked simple but they are not at all. Each color has different depth and a slight of gradation, that work as light and shadow and to create forms.

Wakidjan has worked as a book illustrator and stage-designer, when the design world was still originally pure and was not exposed by digital computer technology. All were still manually illustrated and hand painted.

In each of his painting, Wakidjan proved his skills are profound and well trained. Rawness and thoughtfulness collide into beautiful composition.

My favorite is *A Man and A Cock*. He managed to pull through white against white; the white rooster, white box, white hat, white sarong and white background. The pureness of white does not come easily. It needs a lot of time to craft and create forms using white. The blue background stylizes the whole painting to make it timeless modern. Perfect color combination.

Similarly it goes the same to *Perahu Nelayan*. Hue of white dominates the piece. But on this one, he gives clouds of green here and there to form the figures.

Simply pleasant art pieces to have!

- Syanda Kunto -

BIODATA

Wakidjan started his career in art, working as an illustrator of books and a designer of stage performance. He then turned his interest into painting.

He had participated in several exhibitions and was a member of the Indonesian Young Artist group (Seniman Indonesia Muda/SIM) in Solo.
