GUIDE FOR PROSPECTIVE BUYERS

Buying at Auction

The following pages are designed to give you useful information on how to buy at **PT. Balai Lelang Larasati** - herein referred to as **LARASATI** - fine art auction.

A buyer's premium is payable by the buyer of each lot at rate of 22% of the hammer price of the lot. Upon signing the Bidder Registration Form, all Bidder are legally bound to all terms and conditions as printed in the catalog and other supplements of them provided at registration.

Bidding by Internet LIVE Auctions

For LIVE Auctions, the Company does not provide in-house real-time bidding service. However, bids may be placed through the Internet Bid System provided by INVALUABLE (hereinafter referred to as the "Real-Time Internet Bidding"). Any person who intends to participate must register through INVALUABLE as the appointed third party company for Real-Time Internet Bidding and is bound to the INVALUABLE's Terms and Conditions of the sale. Please note that for this "particular" sale, no surcharge of 5% will be charged on top of 22% buyer's premium.

1. BEFORE THE AUCTION

Pre-sale Estimates

The pre-sale estimates are intended as a guide for prospective buyers. Any bid between the high and the low pre-sale estimates would, in our opinion, offer a fair chance of success. However, all lots, depending on the degree of competition, can realise prices either above or below the pre-sale estimates.

Reserves

The reserve is the minimum price the seller is willing to accept below which the lot will not be sold.

Condition of Lots

Prospective buyers are encouraged to inspect the property at the pre-sale exhibition. Solely as a convenience, Larasati may provide condition reports. The absence of reference to the condition of a lot in the catalog description does not imply that the lot is free from faults or imperfections.

2. THE AUCTION

Conditions of Business

The Auction is governed by the Conditions of Business printed in this catalog. These Conditions of Business apply to all aspects of the relationship between Larasati and actual and prospective bidders and buyers. Anyone considering bidding in the auction should read them carefully. They may be amended by way of notices posted in the saleroom, any additional information in the form of handouts or attachments to Bidder Registration Form, Absentee Bid Form or by way of announcement made by the auctioneer.

Bidding at Auction

Bids will be executed via Invaluable, by telephone or in writing prior to the sale or by telephone. All auctions are conducted in Indonesian Rupiahs. Auction speeds vary, but usually average between 40 - 50 lots per hour.

Consecutive and Responsive Bidding

The Auctioneer may open the bidding on any lot by placing a bid on behalf of the seller. The Auctioneer may further bid on behalf of the seller, up to the amount of the reserve, by placing consecutive or responsive bids for a lot.

Bidding Increments

Bidding generally opens below the low estimates and advances in the following increments:

Rp 1 - 2.000.000,-	by	Rp 100.000,-
Rp 2 - 5.000.000,-	by	Rp 2 - 3 - 400.000,-
Rp 5 - 10.000.000,-	by	Rp 500.000,-
Rp 10 - 20.000.000,-	by	Rp 1.000.000,-
Rp 20 - 50.000.000,-	by	Rp 2 - 3 - 4.000.000,-

Rp 200.000.000,- and above	by	Auctioneer's direction

However, the auctioneer may change the increments during the course of the auction at his or her discretion.

Absentee / Written Bids

We will be happy to execute written bids on your behalf. A bidding form can be found at the back of this catalog. This service is free and confidential. Lots will always be bought as cheaply as is consistent with other bids and the reserves. In the event of identical bids, the earliest bid received will take precedence. Always indicate a "top limit" - the hammer price to which you would bid if you were attending the auction yourself. "Buy" and unlimited bids will not be accepted.

Telephoned absentee bids must be confirmed before the sale by letter. Email: info@larasati.com. The telephone number during viewing and auction days: +62 811 116 5778.

To ensure satisfactory service to bidders, please ensure that we receive your bids at least 24 hours before the sale.

Bidding by Telephone

If you cannot attend the auction, it is possible to bid on the telephone on lots with a minimum low estimate of Rp 10.000.000,-. As the number of telephone lines is limited, it is necessary to make arrangements for this service 24 hours before the sale. We also suggest that you have a maximum bid which we can execute on your behalf in the event we are unable to reach you by telephone. Bilingual staff are available to execute bids for you.

Successful Bids

The fall of the auctioneer's hammer indicates the final bid. The auctioneer will call out and record the name or "paddle" number of the buyer, if your written bid is successful, you will be notified immediately after the sale by post. Bidding may be reopened at the auctioneer's discretion.

Currency Conversion

Bidding is carried out in Indonesian Rupiahs, but Larasati may provide a currency conversion board in the saleroom for the convenience of bidders. Please note that figures shown in foreign currencies are only approximates and do not represent exact exchange rates. Payment will be requested in Indonesian Rupiahs.

"Some friends like to ask me how I entered the work of art. My answers are always simple. I tell them that to become an artist one must first love and respect one's work. One must be honest in one's art, and beginners in painting should study from direct investigation of Nature, from meticulous investigation of Nature's myriad transformations to increase their powers of observation."

Liu Kang (Fujian, China 1911 – 2004 Singapore)

Looking northeast through the entrance of the old Singapore Polytechnic on Prince Edward Road to the high-rises of Shenton Way, Liu Kang's *View of Singapore City* (executed most likely in the early 1970s) is testament to the growing, modern city that Singapore was becoming in the decades following independence. It is a view that the artist's son, urban planner and architect Liu Thai Ker, did so much to shape. Paradoxically, Liu's painting invisibly conjures the Polytechnic building itself, which is set directly behind the artist's viewpoint, but which is indexed through the stone-clad pillars topped with lamps that flank the gates opening onto the driveway. The iridescent, multi-toned stones replicate the characteristic crazy-paved cladding of the cantilevered, projecting frontage of the Polytechnic, completed in 1958, which is today protected as a ground-breaking modernist architectural gem in the city's heritage. When the new Prince Edward Road MRT is completed in 2025, abutting the old Polytechnic buildings, this view of the city will be one that Singaporeans will see more often, albeit with a much-altered skyline.

The artist takes a softly post-Cubist approach in foregrounding the geometry of form and solidifying the empty space. The technique is seen internationally in mid-20th century painting, but Liu dispenses with the often knocked-back palette of the European mindset to suffuse his work with vibrant colours. Without suggesting the multiple viewpoints that are fundamental to the Analytical Cubism of the early 20th century, his approach is to apply an orderly and consistent rhythm to both organic and inorganic plastic form. Texture is prominent too, with an impasto finish overlaid onto thinner ground layers.

Liu Kang's legacy as a founding father of Singaporean identity through his championing of the Nanyang style is anchored by place rather than person in this painting. Best known for his figurative scenes using flat planes of colour separated, cloisonné-like, by thick reserved outlines that were inspired by both batik painting and European modernists like Matisse – think of works like *Picnic*, 1954, at the Singapore Art Museum – he shared with the other first-generation Nanyang artists the use of a variety of styles and techniques in order to explore different modes of expression. Liu Kang's artistic training, initially at the Shanghai Academy of Fine Arts (1926-1928) and then at the Académie de la Grande Chaumière in Paris (1929-1933), exposed him to Chinese ink painting and Western modernism, and it is this marriage of East and West, infused with the spirit of the Southern Seas, that assures his seminal place in the Nanyang canon.

View of Singapore City is a work by one of the greats of Singaporean painting that immortalises the city at a particular time, recording the nostalgic presence of a building that was a self-assured statement of the newly independent state's place in the post-war world. **This is truly an important and historical piece by Liu Kang.**

Liu Kang Biography

Born in 1911 in Fujian, China, Liu moved as a child to Muar, Malaya, but completed his secondary school education in Jinan University Middle School, Shanghai. He attended a summer school art course at the Shanghai Academy of Fine Arts, where his talent was recognised. He enrolled at the Academy, where he was mentored by the principal, Liu Haisu.

After graduating in 1928, he travelled to Paris to continue his training at the Académie de la Grande Chaumière, finishing in 1933 and returning to Shanghai to teach Western painting at the Academy. After the Japanese invasion he moved to Singapore, and in 1942 back to Muar. He only returned to Singapore after the war, where life began to stabilise. He was appointed President of the Society of Chinese Artists and in 1949 he co-founded the Singapore Art Society with Richard Walker, Art Superintendent of Singapore Schools.

This blossoming of arts organisations in Singapore was a turning point, as Liu joined forces other ex-pat Chinese colleagues from the Shanghai Academy and the Society of Chinese Artists, including Chen Wen Hsi, Cheong Soo Pieng and Cheng Chong Swee. They all taught at the Nanyang Academy of Fine Arts and their 1952 trip to Bali and subsequent exhibition, *Pictures of Bali*, 1953, at the British Council in Singapore, saw the birth of the Nanyang style.

Liu received the *Bintang Bakti Masyarakat* (Public Service Star) in 1970 and the *Pingat Jasa Gemilang* (Meritorious Service Medal) in 1996 for his contributions to visual arts in Singapore. In 2003 he donated more than 1000 paintings and sketches to the Singapore Art Museum (SAM), just one year before his death at the age of 93. A retrospective entitled *Liu Kang: A Centennial Celebration*, was held at SAM in 2011, organised by the National Art Gallery, Singapore, and supported by the National Heritage Board.

Larasati does not make or give, nor has any person in the employment of Larasati any authority to make or give, any representation or warranty regarding the authorship, origin, date, age, size, medium, attribution, genuineness, description, provenance, condition or estimate selling price of any lot.

Catalog descriptions

Statements by us in the catalog or condition report, or made orally or in writing elsewhere, regarding the authorship, origin, date, age, size, medium, attribution, genuineness, provenance, condition or estimate

selling price of any lot are merely statements of opinion given in good faith, and are not to be relied on as statements of definitive fact. Catalog illustrations are for guidance only, and should not be relied on either to determine the tone or colour of any item or to reveal imperfections. Estimates of the selling price should not be relied on as a statement that this price is either the price at which the lot will sell or its value for any other purpose.

Many items are of an age or nature which precludes their being in perfect condition and some descriptions in the catalog or given by way of condition report make reference to damage and/or restoration. We provide this information for guidance only and the absence of such reference does not imply that an item is free from defects or restoration nor does the reference to particular defects imply the absence of any others.

Buyers Responsibility

Buyers are responsible for satisfying themselves concerning the condition of the goods and the matters referred to in the catalog description.

AT THE SALE

Refusal of admission

Our sale takes place on our own premises or premises over which we have control for the sale, and we have the right, exercisable at our complete discretion, to refuse admission to the premises or attendance at the auction.

Registration before bidding

Every prospective buyer must complete and sign a registration form and provide identification before making a bid at auction. Prospective buyers should be aware that we usually require buyers to undergo a credit check.

Bidding as Principal

When making a bid, prospective buyer will be accepting personal liability, unless it has been agreed in writing, at the time of registration, that a bidder is acting as agent on behalf of a third party acceptable to us.

Commission Bids

If a prospective buyer gives us instructions to bid on his behalf, by using the form printed after the catalog entries, we shall use reasonable efforts to do so, provided these instructions are received not later than 24 hours before the sale. Bids should be placed in Indonesian Rupiahs. Bids placed in other currencies will be converted to Indonesian Rupiahs using the one month forward rate of exchange quoted to us by CIMB Niaga Bank at opening on the date of the auction and the Indonesian Rupiahs figure may be subject to rounding. The buyer's invoice will be in Indonesian Rupiahs and we shall not be liable to the buyer for any loss suffered as a result of exchange rate movements after the date of the sale. If we receive commission bids on a particular lot for identical amounts, and at auction these bids are the highest bids for the lot, it will be sold to the person whose bid was received first. Commission bids are undertaken subject to other commitments at the time of the sale, and the conduct of the sale may be such that we are unable to bid as requested. Since this is undertaken as a free service to prospective buyers on the terms stated, we cannot accept liability for failure to make a commission bid. Prospective buyers should therefore always attend personally if they wish to be certain of bidding.

Telephone Bids

If prospective buyers make arrangements with us not less than 24 hours before the sale, we shall use reasonable efforts to contact the bidders to enable them to participate in bidding by telephone, but under no circumstances will we be liable to either the seller or any prospective buyer as a result of failure to do so.

Bidding by Internet LIVE Auctions

For LIVE Auctions, the Company does not provide in-house real-time bidding service. However, bids may be placed through the Internet Bid System provided by INVALUABLE (hereinafter referred to as the "Real-Time Internet Bidding"). Any person who intends to participate must register through INVALUABLE as the appointed third party company for Real-Time Internet Bidding and is bound to the INVALUABLE's Terms and Conditions of the sale. Please note that for this "particular" sale, no surcharge of 5% will be charged on top of 22% buyer's premium.

Currency Converter

At this auction, a currency converter may be operated, based on the one month forward rates of exchange quoted to us by CIMB Niaga Bank at opening on the date of the auction. Bidding will however take place in Indonesian Rupiahs. The currency converter is not always reliable, and errors may occur beyond our control either in the accuracy of the lot number displayed on the converter, or the foreign currency equivalent of Indonesian Rupiahs bids.

We shall not be liable to the buyer for any loss suffered as a result of the buyer following the currency converter, rather than the Indonesian Rupiahs bidding.

Video images

At this auction there will be a video screen. Mistakes may occur in its operation, and we cannot be liable to the buyer regarding either the correspondence of the image to the lot being sold or the quality of the image as a reproduction of the original.

The auctioneer's discretion

The auctioneer has the right at his absolute discretion to refuse any bid, to advance the bidding in such manner as he may decide, to withdraw or divide any lot, to combine any two or more lots and, in the case of error or dispute, to put an item up for bidding again.

Successful bid

Subject to the auctioneer's discretion, the striking of his hammer marks the acceptance of the highest bid and the conclusion of a contract for sale between the seller and the buyer.

AFTER THE SALE

Buyer's Premium

In addition to the hammer price, the buyer must pay us the buyer's premium at a rate of 22% of the hammer price of the lot and transport/shipping charges.

Payment

Following the sale, the buyer must provide us with his or her name and permanent address and, if so requested, details of the bank from which payment will be made and then pay the full amount due (comprising the hammer price and the buyer's premium) within seven days after the date of the sale.

The buyer will not acquire title to the lot until all amounts due to us have been paid to us, even in circumstances where we have released the lot to the buyer.

Collection of Purchases

Unless we specifically agree to the contrary, we shall retain items sold until all amounts due to us, or to Larasati or to any of its other subsidiaries, have been paid in full. Items retained will be covered by our insurance from the date of the sale for a period of seven days or, if by then the goods have

been collected, to the time of collection. After seven days or from the time of collection, whichever is the earlier, the lot will be entirely at the buyer's risk.

Packing and handling

We shall use all reasonable efforts to take care when handling and packing a purchased lot but remind the buyer that after seven days or from the time of collection, the lot is entirely at the buyer's risk.

Remedies for non-payment or failure to collect purchases

If the buyer fails to make payment within seven days, we shall be entitled to exercise one or more of the following rights or remedies:

- to charge interest at a rate per annum not exceeding CIMB Niaga Bank base rate plus 4 per cent on the full amount due to the extent it remains unpaid for more than seven days after the date of the sale;
- to exercise a lien on any of the buyer's property which may be in our possession for any purpose and, following 14 days' notice to the buyer of the amount outstanding and remaining unpaid, arrange the sale of such property and apply the proceeds in discharge of the amount outstanding to us;
- where several amounts are owed by the buyer to us, or to Larasati, or to any of its other subsidiaries, in respect of different transactions, to apply any amount paid to discharge any amount owed in respect of any particular transaction whether or not the buyer so directs;
- to reject at any future auction any bids made by the buyer or on his behalf or obtain a deposit from the buyer before accepting any bids;

If the buyer fails to make payment within 45 working days, we shall in addition be entitled to exercise any one or more of the following remedies:

- to issue proceedings on behalf of the seller against the buyer to recover the full amount due, together with the costs of such proceedings on a full indemnity basis and with interest, charged at 4% per annum above CIMB Niaga Bank base rate;
- to cancel the sale of the lot or any other item sold to the buyer at the same auction;
- to arrange a resale of the lot publicly or privately, and, if this results in a lower price being obtained, claim the balance from the buyer together with any costs incurred in connection with the buyer's failure to make payment.

Failure to collect

Where purchases are not collected within seven days after the sale, whether or not payment has been made, we shall arrange storage at the buyer's expense, and only release the items purchased after payment has been made in full of storage, removal, insurance and any other costs incurred, together with payment of all other amounts due to us.

GUIDE FOR ABSENTEE BIDDERS

Absentee Bids

If you are unable to attend the auction in person, and wish to place bids, you may give Larasati Bid Department instructions to bid on your behalf. We will then try to purchase the lot or lots of your choice for the lowest price possible, and never for more than the top amount you indicate. This service is free and confidential. Please note : Larasati offers this service as a convenience to clients who are unable to attend the sale, and although we will make every effort, Larasati will not be responsible for error or failure to execute bids. Absentee bids, when placed by telephone, are accepted only at the caller's risk and must be confirmed by letter.

Email: info@larasati.com.

Using the Absentee Bid Form

Please use the absentee bid form provided and be sure to record accurately the lot numbers and descriptions and the top hammer price you are willing to pay for each lot. "Buy" or unlimited bids will not be accepted. Bids must be placed in the same order as the lot numbers appear in the catalog.

Please place your bids as early as possible. In the event of identical bids, the earliest received will take precedence. Where appropriate your bids will be rounded down to the nearest amount consistent with the Auctioneer's bidding increments.

Successful Bids

A successful bidder will receive an invoice detailing his or her purchases and giving instructions for payment and clearance of goods. Unsuccessful absentee bidders will be advised.
