TIPS for successful bid:

- Bid early to avoid rush biddings at the last seconds.
- You can leave a new maximum bid at any point during the bidding period, and then the sale will close automatically on scheduled closing time, i.e. 8pm Jakarta for this sale.
- A countdown clock is placed on lot detail page for you to keep track on the time remaining to bid before the lot is closed.
- If a new highest bid is placed during the last 5 minutes before a lot closes, the end time for that lot will be extended by another 15 minutes until there are no more bids remaining. If there are still bids placed within last 5 minutes on the extended time, bidding continues by another 15 minutes. This extension will repeat for another three times for every 15 minutes. A lot of bidding activity happens in those final minutes, so keep monitoring the lots you are interested in.
- If you are unable to follow the sale to its end, simply enter your maximum amount. LARASATI will bid on your behalf up to and including this amount.

Terms & Conditions For Harmonie Online Auction

Buying at Online Auction

The following pages are designed to give you useful information on how to buy at Larasati.com Auctioneers – Online-Only Auction - herein referred to as Harmonie.

Buyer's Surcharge

Buyer's surcharge is 12% payable for this sale.

Viewing

All works are not available for physical viewing. However, for customer's convenience, video and high resolution photos can be supplied upon request.

1. BEFORE THE AUCTION

Pre-sale Estimates

The pre-sale estimates are intended as a guide for prospective buyers. Any bid between the high and the low pre-sale estimates would, in our opinion, offer a fair chance of success. However, all lots, depending on the degree of competition, can release prices above the pre-sale estimates.

Reserves

The reserve is the minimum price the seller is willing to accept below which the lot will not be sold.

Condition of Lots

Harmonie may provide condition reports, video clips or images upon request. The absence of reference to the condition of a lot in the lot description does not imply that the lot is free from faults or imperfections.

2. THE AUCTION

Conditions of Business

The Auction is governed by the Conditions of Business available in this website. These Conditions of Business apply to all aspects of the relationship between Harmonie and actual and prospective bidders and buyers. Anyone considering bidding in this online-only auction should read them carefully.
